

Black Immigrants Thrive Coalition Member Terms & Agreement

Thank you for your interest in becoming part of our growing network of Afro-Caribbean and Black-led individuals and organizations who are committed to uplifting, empowering, and advocating for Black immigrants and Afro-Caribbean communities in Canada.

Being part of this coalition means contributing to a broader collective effort, one that centers equity, collaboration, and the advancement of Black immigrants and afro-caribbean communities in Canada.

As a member, you're joining a collaborative space where we grow stronger together by contributing ideas, sharing opportunities, and supporting each other's work. Members receive relevant updates about initiatives, learning opportunities, and events aligned with our mission. While participation in these activities may vary depending on availability and registration processes, your membership ensures you're among the first to know.

Where possible, the Coalition may also support your work by sharing it across our platforms or participating in your event with resources such as a table or information booth for collective visibility.

In addition, members may be eligible to apply for funding support, referrals, or sponsorship for initiatives that align with our priorities. These opportunities are available by application to engaged members who demonstrate a shared commitment, alignment with our values, and readiness to take part in collective efforts.

Sponsorship & Funding

As a member, the Coalition is proud to support your efforts and help highlight the incredible work happening in our afro-caribbean communities. When we're able to offer sponsorship, in-kind support, or reduced participation costs for certain initiatives, we may kindly request light recognition such as being included on your event flyers or digital materials. We may also express interest in attending your event, bringing community resources, setting up a table, or capturing a few moments through photos/videos to help share and celebrate the collective impact through our platforms.
